By Order of this Civilian Court of Record

Oregon Statewide Jural Assembly
General Delivery, Beaverton, Oregon [97005]

Notice to the Agent is Notice to the Principal. Notice to the Principal is Notice to the Agent.

Notice: CLAIM OF CONUSANCE

An intervention by a third "party," ron vrooman is one of the people in a suit claiming the sovereign Oregonian, men and women and children, have rightful jurisdiction of the cause which the person(s) in the de facto jurisdiction have commenced out of the sovereign Oregonian's de jure jurisdiction.

This is a matter of jurisdiction. Oregonians, the people at large and/or one of the people -- not a "person," neither a U.S. nor United States, nor UNITED STATES citizen nor a "citizen" of any of its subdivisions -- claim original jurisdiction of one supreme Court of Article III Amendment VII.

Should the/a court or judge or prosecutor or attorney or police without jurisdiction over the sovereign Oregonian seek to contest this Claim of Conusance, provide your written declaration to the name and address provided here **within seven business days** from this August 16, 2021, or acquiesce to Article I Section 1 aka Oregon Statewide Jural Assembly's status. An additional 14 days and 21 days is extended with the same acquiescence for the 2nd and/or 3rd time.

Please have all color of law docketed issues dismissed and the written documents nullified, recordings and email noted to reflect this status, with equal notification made available to all listed here. They are the State of Oregon, its agents and assigns whether elected, appointed, or employed, in care of Secretary of State Shemia Fagan, Attorney General Ellen Rosenblum, Superintendent of the Oregon State Police Terri E. Davie, JAG Maj. Nicolas J Paulson, Provost Marshal Maj. John "Rocky" Kumlan, United States Deputy Attorney Seth Uram. US Navy Attorney Christopher Julka, USMC Colonel James McDonough, USMC Colonel Bernard Hess, 36 Sheriffs and 36 District Attorney's. Their names will now be read into the record and their names are attached to this record.

Provide the lawful evidence that authorized any institution or entity the authority to violate our God-given unalienable rights – from Kate Brown, up or down the chain of command -- to require any of the people, man, woman or child to wear a mask, social distance, be tested, vaccinated or injected with anything unsolicited. This applies to any time and any place and includes all Oregonians who are non-United States or its subdivisions "citizen." There is a claim of due process violation 18 USC 3571 which requires evidence such as memos, reports, email and warrants against the sovereign Oregonian be collected and saved. Be prepared for class action suits. This is good for private and public. He who can be deceived let him. The bearer of this document shall be assumed to be an Oregonian and is not deceived. **Cease and desist further contact.**

Our Civilian Court of Record retains the original and copies are provided as necessary.

With full faith and credit governing law is established in this document at this time to be: Declaration of Independence, Articles of Confederation and perpetual Union; Oregon's Original Constitutions circa 1859, and the United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; Ex Parte Young; Ex Parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgement Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13th and 14th amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The US DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court considered to have jurisdiction when found in conjunction with Amendment VII Court. The US DOJ has failed in their responsibility. We must do it ourselves. We cannot do it alone. And we reserve the right to define all the words we use. We reserve the right to determine our forms of communication.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." We do lawful not legal and this is our best effort.
