Testimony as a Notice in the nature of Writ of Quo Warranto

QUO WARRANTO, remedies. By what authority or warrant. An Answer: All power is inherent in the People. That by acquiescence, it is the Oregon Statewide Jural Assembly, date June 2020. The name of a writ issued in the name of a government; in our case Article I, Section 1 of Oregon's Constitution circa 1859. This is against a specific person known as Kate Brown, Governor of the State of Oregon, a defunct incorporation acting in color of law since November 8, 1910, aka Article VII amended. We have the evidence that the City of Portland is a subdivision of the County of Multnomah is a subdivision of the State of Oregon aka STATE OF OREGON is a subdivision of the United States. This is not a Constitutional Republican form of government that we are guaranteed!

This could be against any person or corporation that usurps any franchise or office, Kate Brown, by public record, invited the FBI to Oregon to assist the State Police in a vile operation in Malheur County in Eastern Oregon, that developed into the killing of Robert Lavoy Finicum!. There are many unindicted co-conspirators in that heinous action. This is an inquiry from a sovereign without subject or ruler.

Kate Brown, in the public record, has broken her Oath and has violated the 2nd amendment rights of Oregonians, numerous times. This is a denial of due process! Additionally, it is a clear violation as determined by 18 USC 3571 and valued at 250k in currency, Federal Reserve notes or the equivalent.

Kate Brown, both in the public record and in public on the Plaza, was arraigned and tried in an Article III Amendment VII court and found guilty with a verdict based on a true bill given by our Grand Jury. The same Grand Jury sent Presentments to 38 Prosecutors on Oregon. Kate Brown is an oath breaker, without honor and unfit for an office of public trust.

We are lawfully commanding the Sheriff of Marion the county of Oregon the State, Joe Kast, the man, as the name he is known by. To summon the defendant Kate Brown, to appear before the Oregon Statewide Jural Assembly's Civilian Court of record where a Grand Jury will be called to make Presentments to the 38 known de facto prosecutors on Oregon (if they find a true bill). They are the Attorney General, 36 District Attorneys and the National Guard JAG. This Civilian Court whence this document/writ was issued shall, at a reasonably soon time and at a time to be determined, and at a place named the Plaza across the street from our Statehouse on Court Street, abide by due process.

Kate Brown is named to show "quo warranto" for the office she claims and as mentioned in this document/writ. She must defend the named actions listed here. She must show her lawful authority to issue an executive order known to affect men, women and children on Oregon, non US citizens or even State of Oregon employees and subdivisions employees. Such actions that thru her action show she has broken her oath multiple times, usurped power multiple times and which is being brought to the attention of our Grand Jury again.

Joe Kast, you have 7 days, 14 days, 21 days to comply with the directions of this document or you acquiesce three times to the color of law incorporated governance of the Kate Brown oligarchy, thus misprision of felony. This places you squarely against the people on

Oregon and is a violation of your oath to The United States of America's Constitution circa 1859 and Oregon's Constitution circa 1859, making yourself without honor and unfit for a position of trust.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." I do lawful not legal and this is my best effort.

I close with Love, peace, harmony and a prayer. A US Marshal has determined my prayer is not a threat. He then reneged on his word, which is only good one time. "Praise the Lord and pass the ammunition."

Testimony

On Oregon, without the STATE OF OREGON, within The United States of America the Constitutional Republican form of government.

With full faith and credit governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitutions circa 1859, and The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex Parte Young; ex Parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13th and 14th amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court I would consider to have jurisdiction when found in conjunction with Amendment VII Court... The DOJ has failed miserably in their responsibility... We must do it ourselves. We reserve the right to define the words we use. We decide what form our communication may take.
