To: Supreme Court State of Oregon 1163 State Street NE, Salem, Oregon [97303] 503 986 5555.

From: The Civilian Court of record of our Oregon Statewide Jural Assembly by Clerk Ronald Charles Vrooman. Our bona fides are attached.

**Notice:** It has come to our attention that this Supreme Court is claiming to be authentic. It is thought to be without proper bona fides in place to support that claim, as also the claims of its Chief Justice Martha L. Walters and Justices Duncan, Nelson, Garrett, Balmer, Nakamoto and Flynn. There is strong evidence that the State of Oregon is the entity that this Supreme Court is affiliated with through Article VII amended. There is strong evidence that the State of Oregon is a defunct incorporated entity. There is strong evidence that all Courts in the State of Oregon are nullities. There is strong evidence that our Civilian Court is lawful and on Oregon and has implemented Ex Parte Milligan and nullified martial law.

**Demand:**

Provide your jurisdiction, in writing, as a Court and as Justices of that Court. The claim is made and it is published that this is a Constitutionally formed Court with the proper staffing. That is now challenged by our Court and by the Clerk of our Court, Ronald Charles Vrooman, a man on Oregon. Provide your written supporting evidence that the Oregon Supreme Court, as a name shown on the website and that the Justices listed there and here, has/have/had jurisdiction under Article VII original, as there is no evidence that Article VII amended is valid and lawful. There is strong evidence that there were no lawful votes counted for Article VII amended dated November 8, 1910. It is known by Federal DOJ and GSA documents that the City of Portland is a subdivision of the County of Multnomah is a subdivision of the State of Oregon is a subdivision of the United States. This is not a Constitutional Republican form of government that we are guaranteed.

We have reason to believe that all the judges have taken their oath to Article VII amended. This is verified by authentic copies of oaths from the State Archives in our possession. The Court was formed in color of law and is without bona fides required by The United States of America's Constitution circa 1819 thru 1860 and Oregon's Constitution circa 1860. The Archive and Secretary of State have refused a viewing of Oregon's Statehood documents and evidence of Article VII amended's authenticity. Therefore, all of the Court's Administrators are acting in color of law. The claims are made and published in print and on the internet. Now support the claims above for the Supreme Court or acquiesce in 7 days, 14 days, 21 days to misprision of felony and to violation of due process. As such, the Justices are without honor and unable to occupy a position of trust.

**With full faith and credit** governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitution circa 1859, and The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; Ex Parte Young; Ex Parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13<sup>th</sup> and 14<sup>th</sup> amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a Court considered to have jurisdiction over the People when found in conjunction with an Amendment VII Court. We reserve the right to define the words we use. The DOJ has failed in their responsibility. We must do it ourselves.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." I do lawful not legal and this is my best effort.

I close with Love, peace, harmony and a prayer. A US Marshal has determined my prayer is not a threat. He then reneged on his word, which is only good one time. "Praise the Lord and pass the ammunition."

On Oregon, without the STATE OF OREGON, within The United States of America, the Constitutional Republican form of government.
