With full faith and credit governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitutions circa 1859, and The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex Parte Young; ex parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nilhil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13th and 14th amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court I would consider to have jurisdiction when found in conjunction with Amendment VII Court. The DOJ has failed miserably in their responsibility. We must do it ourselves. We define the words we use. We decide our method of communication.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." We do lawful not legal and this is our best effort. We close with Love, peace, harmony and a prayer.

On Oregon, without the STATE OF OREGON, within The United States of America the Constitutional Republican form of government.
Under penalty of perjury.
