## By Order of this Civilian Court of Record

Oregon Statewide Jural Assembly  
General Delivery, Beaverton, Oregon [97005]

**Notice to the Agent is notice to the Principal. Notice to the Principal is notice to the Agent.**

Notice: ***to Judge Gregory L. Baxter***

The Oregon Statewide Jural Assembly's Civilian Court of record has gathered enough evidence for the Oregon Statewide Grand Jury to convene. It has been determined that there is a preponderance of evidence available to cause presentments to be made to the Oregon prosecutors.

The Oregon Health Authority and OSHA are criminal organizations acting in color of law. They are defrauding Oregonians of money, law, and our unalienable rights.

Claims: There is no lawful entity within the Oregon Health Authority. It is a bogus, color of law, corporate governance, unlawfully usurping authority not granted by the people. It was unlawfully created by a creation known as the State of Oregon aka STATE OF OREGON to rule over the Creator, the people on Oregon, in color of law. The people and persons on Oregon are defrauded by the de facto State of Oregon. That claim also holds true for Oregon's OSHA. There are no limitations on what the Grand Jury may do. The addendum of persons being named defendant is not limited to these persons, due to our ongoing investigation.

There is no lawful evidence that Article VII amended is legitimate. On Oregon and in the State of Oregon the unconstitutional is being nullified. Those involved may self correct. Fraud vitiates all contracts totally or partially.

Other known frauds: 9/11, JFK, RFK; LBJ; 44;ghwb, FDR; 1932 &33; 11-8-1910; MLK; McCarran Walters ACT; Mark O. Hatfield Federal Building; Malheur Wildlife Refuge; Uranium 1.

**With full faith and credit** governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitutions circa 1859, and The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex Parte Young; ex parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13<sup>th</sup> and 14<sup>th</sup> amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court I would consider to have jurisdiction when found in conjunction with Amendment VII Court. The DOJ has failed miserably in their responsibility. We must do it ourselves. We define the words we use. We decide our method of communication.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." I do lawful not legal and this is my best effort.

I close with Love, peace, harmony and a prayer. A US Marshal has determined my prayer is not a threat. He then reneged on his word, which is only good one time. "Praise the Lord and pass the ammunition."
