Should you find an error, we will correct it and go on.

From: Oregon Statewide Jural Assembly aka ARTICLE I Section 1 of the Oregon Constitution: Natural rights inherent in people. We declare that all men, when they form a social compact are equal in right: that all power is inherent in the people, and all free governments are founded on their authority, and instituted for their peace, safety, and happiness; and they have at all times a right to alter, reform, or abolish the government in such manner as they may think proper.

We, are a Civilian Court of record that, implemented ex parte Milligan and nullified martial law/Lieber code/FEMA on Oregon with our Grand Jury and Petite Trial Jury pool; an Article III one supreme Court claiming original jurisdiction in our Amendment VII Court whose jury has no appeal in law; our Amendment II well-regulated militia is the provisional government on Oregon.

It is requested that Athens, Tennessee 1946 be remembered.

Concurrent jurisdiction: we ARTICLE I Section 1, on Oregon declare original jurisdiction over the de jure Oregon, the State, prior to the flip into de facto by Frank Benson and his ilk on Oregon 1910. We are no longer deceived. We are seeking remedy for our people, the men and women with their children are without ruler or subjects on the land and soil jurisdiction, venue and law-form on Oregon. The USCoC has jurisdiction over the de facto color of law, incorporated governance the State of Oregon aka STATE OF OREGON the Salem/Kate Brown oligarchy.

The claim: Tina Kotek, Christine Drazan and Betsy Johnson were all three convicted by an Article III Amendment VII Court, of having no honor and unfit for a position of trust. They all acquiesced to that claim and the verdict was guilty. They broke their oath on January 21, 2020, when the Legislature broke ARTICLE 14.

These three women were notified, as was Secretary of State Shemia Fagan, of their subverting our Constitutional republican form of government and that If they were on the November 2022, ballot they would be charged with treason. They were on the ballot; they ran; all four are guilty of treason.

Tina Kotek being sworn in as Governor of Oregon in any form must not stand.

The de facto on Oregon is in your jurisdiction as read on a US DOJ document; that the City of Portland is a subdivision of the County of Multnomah is a subdivision of the State of Oregon is a subdivision of the United States. Therefore, we seek your support and [co]operation to stop this upcoming installation of a convicted de facto politician.

**With full faith and credit** governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitutions circa 1859, and The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex parte Young; ex parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13<sup>th</sup> and 14<sup>th</sup> amendments are bogus and must be rejected. Take heed of

the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a Court I would consider to have jurisdiction when found in conjunction with Amendment VII Court. The DOJ has failed miserably in their responsibility. We must do it ourselves. We define the words we use. We decide our method of communication.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." I do lawful not legal and this is my best effort.

Concurrent jurisdiction is apparent by your charter/authority/bona fides declared on line at:

From: Oregon Statewide Jural Assembly aka ARTICLE I Section 1 of the Oregon Constitution: Natural rights inherent in people. We declare that all men, when they form a social compact are equal in right: that all power is inherent in the people, and all free governments are founded on their authority, and instituted for their peace, safety, and happiness; and they have at all times a right to alter, reform, or abolish the government in such manner as they may think proper. Our bona fides are at: [www.orsja.org](http://www.orsja.org) Oregon's de jure provisional government.

Submitting documentation to your appointed liaison for Private Attorney General on Oregon listed below to support our/my/these claims with enthusiasm.

From: Ronald Charles Vrooman, Private Attorney General by the United States Congress 42 U.S.C.1988 and 18 U.S.C.1510 and 18 U.S.C. 1512 and to be known as "One of the People" also "Qualified Criminal Investigator" and "Federal Witness" and by Living Testimony without rebuttal. Status identified and without rebuttal in the City of Beaverton public record, Beaverton Municipal Court and the United States Federal District Court, Portland, Oregon. I expatriate to the United States of The United States of America's Constitution circa 1859 or it's assigns which may be this court. I expatriate from Oregon the land and soil by special appearance.

Notice: The Portland, Oregon USDOJ, FBI, USMS, GSA, Post Office/USPS, Dept VA, and Oregon's 36 County Sheriffs and DAs Oregon AG and SoS, National Guard Commander, PM and JAG and others named in documents, do not abide by governing law. That they acquiesced to. Due process violations are codified 18 USC 3571 250K in FRN such as the content and intent trumps form. I do lawful not legal and this is my best effort. Thirty-eight prosecutors on Oregon were notified by name. They did not honor lawful presentments from our Grand Jury.

Claim: The State of Oregon, aka STATE OF OREGON, a Salem/Kate Brown oligarchy, is based on oaths taken to a de facto, incorporated, bogus, color of law, play pretend, Oregon State BAR, British Accreditation Registry, that offers Esquire or JD to new Bar attorneys. The upholders of ARTICLE VII (Amended) (Original) post the November 8, 1910, election are the inheritors of the fraud of the unlawful insertion of a bogus ARTICLE/clause into Oregon's Constitution allegedly as the Sec of State for Oregon will not show Oregon's statehood documents. The current adherents to "this" de facto government perpetuate the fraud. Republicans and Democrats alike, all across the executive, legislative and judiciary are participating in the fraud.

The switch to governing the people by a benevolent form of martial law of post November 8, 1910. He who can be deceived let him. That form of governance was corrected lawfully by the actions of 5 Grand Juries and 5 Civilian Court of record trials as an Article III, one supreme Court claiming original jurisdiction in Amendment VII jury court whose verdict has no appeal in law. This Salem Oligarchy is about to inaugurate Tina Kotek as Governor and she is convicted of treason. There is no more deception. To persist is treason.

Remedy: Stop Tina Kotek from the outcome of election fraud. She must not assume an office. She has no honor. Declare Rico, the de facto governance as a result of the 1910 fraud, must cease and desist in their de facto oath and bond incorporated color of law ARTICLE VII faux governance.

Open the Federal investigation of the claims made here. Private Attorney Generals / Investigators / Witnesses will be maximally utilized and remunerated as required.

Other known frauds: 9/11, JFK, RFK; LBJ; 44; GHWB; FDR; 1932 & 33; 11-8-1910; MLK; McCarron Walters ACT; Mark O. Hatfield Federal Building; Malheur Wildlife Refuge; Uranium 1; Covid-19.
