## Abolition By Order of this Civilian Court of Record

Oregon Statewide Jural Assembly  
General Delivery, Beaverton, Oregon [97005]

**Notice to the Agent is notice to Principal. Notice to the Principal is notice to Agent.**

**Our Court does not incarcerate nor do we execute. By Divine counsel, we find remedy in law!**

"We are the one supreme Court claiming original jurisdiction in Article III and a verdict without appeal in law through Amendment VII, a Civilian Court of record that implemented ex parte Milligan and nullified martial law/FEMA with a Grand Jury's finding; one that can write Court's Orders to inferior Courts, the LEO and the DA, AG, DOJ, FBI and USMS et al."

To do that, the analog meter must be dialed back to de jure from de facto. We are doing that with our Civilian Court of record and returning Oregon to a Constitutional republican form of government. Your Court is reduced to color of law – oath-less, illegal and illegitimate, with persons without bonds, persons acting without honor, or authority.

Our Court recognizes this and abolishes your Court by ARTICLE I, Section 1 and all of its affiliates. Notice to the agent is notice to the principal, are considered to be the same. This is remedy to the 112 years of treason and for the lawful replacing with that which was originally intended in our founding documents.

ARTICLE VII (Amended) and (Original) in Oregon's Constitution post-November 8, 1910 is abolished. Persons need to become people and with their proper oaths and bonds, until they can provide proper bona fides this year 2022.

**With full faith and credit** governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitutions circa 1859, and The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex parte Young; ex parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13<sup>th</sup> and 14<sup>th</sup> amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court. I would consider to have jurisdiction when found in conjunction with Amendment VII Court. The DOJ has failed miserably in their responsibility. We must do it ourselves. We define the words we use. We decide our method of communication.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." We do lawful not legal and this is our best effort.

We close with Love, peace, harmony and a prayer.

On Oregon, without the STATE OF OREGON, within The United States of America, the Constitutional republican form of government.

We are of the land, and therefore are not beholden to your Maritime Law/Courts/"Sham" Hearings and the ridiculous Oregon Revised Statutes put in place to deny Oregonians any semblance of justice and to avoid adherence to the U.S. and State of Oregon Constitution. You are operating under the 'color of law'.
