## No.2 Statement regarding Sheriff's Oaths:

Sheriffs are without proper oaths. We notified them lawfully the first time in 2017, and they all acquiesced to knowing ARTICLE VII (Amended) was not legitimate and had no bona fides. We have gathered several invalid oaths over the last few years. Six members of our Court went to the annual meeting of the Oregon Sheriffs Association this year in Bend. We were seeking liaison and lawful oaths. We bought two memberships and lunch for 6. Our money was returned and we were excluded. We posted our paper including a proper oath on the Marion County Courthouse bulletin board for 30 days. After seven years and several cycles of Sheriffs, not one has taken a proper oath. Therefore: they have 30 days to take their proper de jure, lawful oath or vacate the office as they fail due process and have no honor and cannot hold a position of trust.

### Evidential Explanation

The Oregon Sheriffs Association, as well as each Sheriff in office, have been notified several times over for the last 7 years by signed, sealed, stamped, witnessed with proof of service instruments. We have met face-to-face with several and they will not yield to de jure. They remain de facto without a proper oath. We have not received one rebuttal from any of them or their Association or counsel.

We recently presented the Sheriffs on Yamhill, Washington, Marion, Lane, Linn counties and several others previously, offering multiple opportunities to self-correct. None have complied.

ORS 206 specifically defines the responsibilities of our Sheriffs. Then the HR departments of the Counties add their requirements. Through their Association, we demanded their proper bona fides -- with no response. Additionally, each Sheriff has been telephoned and emailed many times by several or our members. Specifically, both the Washington County office of Sheriff and Sheriff Candace Massey has failed to comply as recently as August, 2024. She was a "test case" as we have multiple issues with Sheriff Massey.
